WND - Would Not Disclose

Note: Information on this list was provided by the companies themselves. Companies are ranked by the number of L.A. County employees involved in environmental services and 2007 L.A. County revenues, respectively.

To the best of our knowledge, this information is accurate as of press time. While every effort is made to ensure the accuracy and thoroughness of the list, omissions and typographical errors sometimes occur. Please send corrections or additions on company letterhead to the Research Department, Los Angeles Business Journal, 5700
